

Konica Biz Hub Color Drum Units for the 8-Series

MINNEAPOLIS, MN (Nov. 6, 2019) – Since 1983, NA Trading and Technology has been a dependable supplier for OEM-compatible copier parts and supplies and NATT is continuously working to expand offerings of OEM compatibles. NATT is excited to announce our latest addition to our catalog of quality products for Konica: the DR-313K drum unit.

The DR-313K drum unit, for use in Bizhub C258, C308, C368, C458, C558, and C658, is one of our Green Products and is remanufactured in the USA with components sourced from the best vendors in the business. In our rigorous lab and field tests, this drum unit performed just as well as the OEM unit, so we can assure you won't be disappointed in the performance. You will appreciate the savings of 40% off the OEM price when you choose NATT for this drum unit.

We also offer the DR-313C color drum units for the same models so we can greatly improve your profitability on this machine series. Both products are available now on our website www.natrading.com and can be ordered directly with your Product Specialist.

NA Trading and Technology continues to search for improvements to their catalog where they could be providing for clients. If you have any product suggestions, please call a Product Specialist at 800-231-8434 or leave [feedback](#) on our website.
