

Be **Green**  
Earn **Green**

Minimize e-waste and maximize income with NA Trading and Technology's Recycle and Rebuild Programs.

Now you can get a complete second life out of certain Konica Transfer Units and Canon Fixing Film Assemblies. Our Rebuild Programs restore worn products to like-new condition for a fraction of the cost. If you want to keep e-waste out of local landfills, support American manufacturing, or just save some money, give our Rebuild Programs a look.

### Konica Transfer Units

# Eligible and preferred units

Cores in **bold** receive a credit.

Please include all original packaging, including any clips or protective casing, whenever possible.

## Be Green Earn Green

### GPR 30/31

#### Preferred Drum Unit

The **plastic frame** unit is eligible for a \$10 credit. Units recycled more than once are eligible for a \$5 credit. See the pictures below to identify the **preferred unit**, or contact your product specialist for more information.

The preferred unit has **plastic backing and framework** as shown above. NA Trading and Technology will give you a **\$10 or \$5 credit** for every core you submit. We even cover shipping costs.

The first generation unit has **metal backing and framework** as shown above and will result in a **\$5 disposal fee** for each unit we receive.

Reduce  
your impact.  
Recycle  
your cores.

Eligible units change frequently. An updated list can be confirmed through your product specialist or at [www.natrading.com](http://www.natrading.com).
