

## SOLUTIONS FOR KYOCERA

NA Trading and Technology offers a broad selection of parts, imaging supplies, and innovative solutions for today's most popular copiers and multifunctional printers.

Each of our Kyocera products is engineered and manufactured to strict standards to ensure you the best possible experience. Our Kyocera compatibles offer some of the most impressive savings in our catalog. Save as much as 70 percent compared to manufacturer prices!

### Our Testing

Our products are tested until we're sure they'll meet or beat OEM performance, so every product will provide high performance and maximum profitability.

### Our Vendors

We carefully select our vendor partners we can supply you with products built with the best technology and materials.

### Our Products

Our Six Sigma quality control philosophy stresses constant improvement, and the result is consistently low product failure rates. Our products work. Period.
