

## Solutions for Konica Minolta

NA Trading and Technology offers a broad selection of parts, imaging supplies, and innovative solutions for today's most popular copiers and multifunctional printers.

Each of our Konica Minolta products is engineered and manufactured to strict standards to ensure you the best possible experience. We started this company more than 30 years with Konica compatibles, so you can count on our products for quality.

### Our Testing

All of our products are tested and monitored to ensure they meet or exceed OEM performance and quality standards, so every product will provide high performance and maximum profitability.

### Our Vendors

By carefully choosing our vendor partners we can supply you with products built with the most advanced technology and materials to keep you one step ahead of your competition.

### Our Products

We have low product failure rates because our Six Sigma quality control process emphasizes constant improvement. We strive to provide the industry's best value on products you can count on.

## DRUM UNIT CHIPS

They may look alike, but our chips perform different jobs. Drum unit conversion chips turn your black drums into color drums so you get unparalleled versatility. Reset chips reset your drum units, so you get extended life and great savings. These chips give you options, and who doesn't love having options?
