

## SOLUTIONS FOR SHARP

NA Trading and Technology offers a broad selection of imaging parts and supplies, as well as innovative solutions for today's most popular copiers and multifunctional printers.

Our Sharp products are designed and built to exacting standards to ensure top performance and reliability, so you can count on them to reduce your cost-per-copy.

### Our Testing

All of our products are tested and monitored to ensure they meet or exceed OEM performance and quality standards, so every product will provide high performance and maximum profitability.

### Our Vendors

By carefully choosing our vendor partners we can supply you with products built with the most advanced technology and materials to keep you one step ahead of your competition.

### Our Products

We have low product failure rates because our Six Sigma quality control process emphasizes constant improvement. We strive to provide the industry's best value on products you can count on.

## MAINTENANCE KITS

We provide the best value on preventative maintenance kits so you can maximize copies between visits.
